4/8/2011

Dom's mixtape for us was so influential and unique, we actually went out and bought a few records based on their tracks. Get your fix of interesting, left-of-center music from all walks of the history of recordings, from... [Read More](#)

ALBUM REVIEWS

**JAMAICA NO PROBLEM**  
4/6/2011

Jamaica's No Problem is like the pop-rock of 2025. Its synthesis of neo-funk and hook driven electro-babble may draw comparisons to another notable group of Frenchies who sing in English, but this sound is far from "1901". It's the future of feet-moving frenzied rock... [Read more](#)

# Outpatient Care Pavilion

[Leasing Opportunities](#)

[Community Update](#)

## Northwestern Memorial HealthCare's Outpatient Care Pavilion

This world-class medical building, to open in 2014, is designed to create an exceptional experience for patients and physicians. The welcoming environment will be supported by state-of-the-art technology and access to medical services throughout the Northwestern campus.

[Download Building Overview](#)

## The Ideal Location

The new pavilion will be conveniently located in the heart of Northwestern's downtown medical campus, home to Northwestern Memorial Hospital and Northwestern University Feinberg School of Medicine.

[Download Area Map](#)

### Spotlight

Mayor Rahm Emanuel applauds the development of Outpatient Care Pavilion for expanding healthcare services and creating 1,300 jobs. [Read More](#)

## Building Renderings

### Main Entrance

The main entrance, located on Erie across from the Feinberg Pavilion, will be easily accessible by car and public transportation.

### Patient Drop Off and Parking

A covered drive-through with two-way access on both Erie and Ontario will allow for easy patient drop off and entry to enclosed, on-site parking. Skybridges to the adjacent Northwestern University parking garage and the Feinberg Pavilion also connect to additional parking.

### Ground Floor Lobby

Patients and visitors will be welcomed to the world-class facility in a lobby lit with natural light and complete with comfortable waiting areas and retail offerings.

## Product Line

Unique Products:  
Product Line  
Volatility Suite  
New Opportunities

SPX options traded an average of 895,801 contracts per day in 2010.

The Company's unique product line includes options on the stocks of over 2,400 companies, more than 250 Exchange Traded Funds (ETFs) and 10 broad- and narrow-based market indexes, as well as a roster of innovative specialty products and benchmarks.

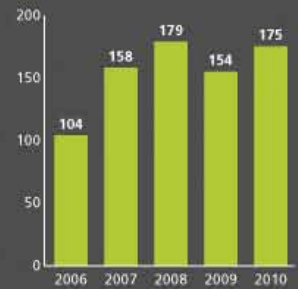

Our index options complex features multi-listed products, such as the **NASDAQ-100 (NDX)** and **Russell 2000 (RUT)** Indexes, and premium products found only at our Company, chiefly, options on the **Dow Jones Industrial Average (DJX)**, the **S&P 100 (OEX)** and the **S&P 500 (SPX)** Indexes.

Today, the **S&P 500** Index stands as the premier broad-market indicator. The options based on the index provide a powerful and flexible tool that allows investors to synthetically adjust their positions to a 500-stock portfolio, making SPX options a leading portfolio risk management tool among institutional investors. SPX options have grown into our largest and most-actively traded contract, and during 2010, volume in this flagship product totaled 175.3 million contracts.

# Psychiatry and Behavioral Sciences

and the Norman and Ida Stone Institute of Psychiatry

Northwestern Memorial Hospital  
Northwestern University Feinberg School of Medicine

**CityCenterDC**

This 10-acre development will become Washington, DC's signature destination for business, culture and community. Liska is involved with the overall project branding and marketing to educate audiences about the development and its potential.

**Bluhm Cardiovascular Institute**

Northwestern Memorial Hospital's Bluhm Cardiovascular Institute offers comprehensive services and treatments in all areas of cardiovascular care. Liska designed a report and microsite to highlight Bluhm's nationally recognized clinical excellence, comprehensive programs and superior clinical outcomes.

**The Arts Club of Chicago**

Liska designs an ongoing series of catalogs for the Arts Club of Chicago. The *Andy Warhol: Shadows* was the first time a large number of the panels from *Shadows* had been exhibited in Chicago.

**Chapman and Cutler**

This national law firm primarily works with clients in the financial services industry. We designed this annual report to underscore the various ways the firm has used its focus on finance to make a difference for clients, the financial community and national nonprofits and foundations.

**Baeble**

Baeble is a website featuring original and curated music videos. Liska designed a new identity and helped evolve the site to bring focus to its core offering, while allowing visitors to find music, videos and artists intuitively.

**GSA**

The U.S. General Services Administration's Art in Architecture Program commissions American artists to create art for federal buildings. Liska creates brochures for these projects to help people understand and appreciate the art and the artist.

**Mad About Color**

As part of our ongoing work for Mad About Color, a salon-based line of color-restorative blow dry creams, we designed a website to provide both consumers and salon professionals with product and purchasing information.

**Atelier Gary Lee**

Liska worked with acclaimed interior designer Gary Lee to translate his vision for the Atelier Gary Lee collection into a comprehensive brand program that includes logo, showroom signage, a website and advertising.

**Northwestern Memorial HealthCare**

Liska worked with Northwestern Memorial HealthCare to design the annual Community Service Report which creates awareness about their efforts toward making sustainable improvements in the health and well-being of the community.

**Northwestern Memorial HealthCare**

Liska is creating marketing materials to help promote leasing opportunities for the Outpatient Care Pavilion, a new medical facility in downtown Chicago.

**Chicago Board Options Exchange**

For the world's largest options market, Liska designed an annual report and microsite to communicate how the company leads the market in developing diverse financial products, innovative trading technology, options advocacy and investor education.

**The Pritzker Architecture Prize**

Liska continues to evolve the Pritzker Prize website and added a content management system to facilitate a Chinese language version for this year's Laureate announcement.

**Gary Lee Partners**

Internationally-renowned architecture, interior and product design firm, Gary Lee Partners, works with Liska to create branded advertising to promote its experience, style and refined aesthetic.

**Psychiatry and Behavioral Sciences**

Liska designed materials to communicate Northwestern Medicine's role as a leading regional and national resource for mental healthcare by highlighting their commitment to research, teaching and patient care.
